## WHY WE NEED HOLY SATURDAY

... that he was buried. 1 Corinthians 15:4a (Good News Essentials #2)

Holy Saturday . . .

- ◆ Forces us to deal with the reality of Jesus' death.
- ◆ Requires us to wait.
- ◆ Points us to the need to rest.
- ◆ Links the cross with the empty tomb.
- ◆ Reminds us that we are buried with Jesus through baptism.

**Having been buried with him in baptism and raised with him through your faith in the power of God, who raised him from the dead.** Colossians 2:12

- ◆ Helps us live today anticipating what is to come.

*Don't you know that all of us who were baptized into Christ Jesus were baptized into his death? **We were therefore buried with him** through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.* Romans 6:3-4

What needs to be buried in my life?  
 Have I identified with Christ in baptism?  
 How am I living this new life with others?

**NEXT STEPS:** Review the outline. Discuss with another what most stands out. Share your responses to the three questions. Read Romans 6:5-14. What additional insight does this give regarding your life with others in Christ? *Lord God, thank You for Holy Saturday. Help me not to miss Your work. Amen.*

#### Lance & Debi Rundus - Cameroon

The Rundus family has been serving the Lord in one of NAB's remotest missionary sites since 2004. Stationed in Ndu, Cameroon, Lance has served as professor of O.T. studies at the Baptist Theological Seminary. The NAB Conference and the Rundus family recently decided that the Rundus family will not return to Cameroon at this time (extended isolation; Lance's need to complete his PhD; college-aged children). Lance and Debi will remain on missionary support until August 31, allowing them time to discern ministry direction from the Lord. **Pray** for the entire Rundus family as they seek God's will for this next stage of their lives.

### Around the World

**YEMEN**– Muslim 99.9%; Christian 0.1%

Yemen is the poorest country on the Arabian Peninsula, making it susceptible to infiltration by extremist groups. Expressing faith in Jesus is dangerous for Yemenis. It is illegal for non-Muslims to proselytize and for Muslims to convert to Christianity, but expatriates may privately practice religions other than Islam. Yemeni Christians converting from Islam face the death penalty if discovered, and family culture is extremely opposed to conversion. Mosque leaders openly preach an anti-Western message of hate.
