Geoff Hartt - Hispanics for Christ (HFC)

Pray for new partnerships with NAB churches and financial support to expand their work. Recently, Eduardo Buldain (HFC Field Coordinator) challenged leaders of 16 Missionary Bible Churches in greater Buenos Aires to continue church planting across Argentina and elsewhere. The pastors of these 16 churches have set a goal of starting 100 new churches by 2020 in their neighborhoods. They also celebrated plans to send a missionary family to the north of Argentina in the province of Corrientes.

NAB Updates

Norm Poehlke, Vice President of Ministry Outreach, returned this week from spending seven days travelling with Geoff Hartt and Tony Campos of *Hispanics for Christ* to explore future ministry opportunities for the North American Baptist Conference. While in Argentina, they met with leaders of a dynamic network of churches who have captured the true essence of church multiplication. In these Argentinian churches, every believer is challenged and equipped to become a missionary, reaching his or her neighbors for Christ. Each church in this network has identified a neighboring barrio where they will be planting the next church. Every pastor understands the temptation of the church becoming too focused on internal church needs, but actively resists that temptation knowing that the next community will not see a church if they lose focus. After seeing the heart and practice of these churches in Argentina, Norm Poehlke believes that the NAB family has much to learn from our brothers and sisters in Argentina.

Hispanics for Christ (www.hispanicsforchrist.org) can help NAB churches develop a partnership with one of the 16 churches involved in this dynamic network in Argentina. These churches in Argentina will truly be blessed as your church shares what God has invested in your church. Moreover, your church will be doubly blessed to learn from these faithful workers who are reaching their nation for Jesus Christ. Contact Norm Poehlke for more information on partnerships (916-797-6222 x227).

The **Salvation Army** is in dire need of **help!** We have piles of clothing needing to be sorted and marked. We are **looking for groups of about 2-6 people** to come to the thrift store for a few hours to help. This can be **done at YOUR convenience!** Do you have a small group, Bible study, friends or a spouse with whom you'd like to spend time AND do something to help our community? Funds from the thrift store help feed, clothe and care for our neighbors. If you can help, please call Abbie Craig at 659-0167.

Thank you so much for both financially and prayerfully supporting me as I head to East Asia. From Sunday school and youth group to the potlucks, TBC has played a crucial role in my walk with God. Please pray for the hearts of the people of East Asia to be open to hearing the radical, life-changing news of Jesus Christ. Please pray for me, as well, in my continued walk with God and as I attend briefing and training this weekend.
