Around the NAB Conference

Paul & Tanya Gericke—Romania

The Gericke's are a young missionary couple that NAB has recently approved to begin a new work in Romania. They feel a strong call to reach and disciple the Romanian people. They will be developing a camp ministry that will create an environment where new Christian leaders and pastors can experience leadership development. It will also serve as a base where Paul and Tanya can pour their lives into the youth of Romania who desperately need to hear and experience the truth of Jesus Christ. **Pray** for them as they are in the midst of fundraising efforts so they can be in Romania this fall.

Bethel Baptist Church—Harvey

David & Dorothy Lake
Pray for preliminary research being done about a possible new ministry, in nearby Fessenden. **Thanks** for strong unity within the leadership at BBC. **Pray** for the discernment of God's will concerning the future, for three High School graduates. **Pray** for Randy Tschetter, from Sioux Falls Seminary, who will be coming to lead a seminar in June.

Around the World

VIETNAM— Buddhist 52.5%; Christian 9.4%

Vietnam is one of the few remaining communist nations in the world. Communist leaders maintain control on political expression and have resisted outside calls to improve human rights. In some urban areas, religious activity is permitted within government-approved parameters. But in other areas, persecution remains harsh, especially for unregistered and ethnic minority churches. Several ethnic Christians reportedly died while being tortured. Persecution is more severe in the north than in the south. Church registration is still denied to most, and unregistered churches and ethnic minority Christians suffer harassment.
