**T**hank you for your participation in the *Passion Play!* Thank you for being a part of God's work and for serving together as His Body. Your service, whether visible or behind the scenes, identifies you as Christ's disciple. **PRaise GOD** for what He has done—and is continuing to do!

APRIL 2013

VOLUME 13, ISSUE 4

Connecting with God and You

To **WORSHIP** God, help people to **KNOW** Jesus Christ personally, **GROW** to be like Him, **SHOW** His love, and **GO** where He leads . . . **TOGETHER.**

The calendar says it is Spring. The temperatures will eventually reflect that fact, too. Spring can come in a hurry in North Dakota and with it a lot of activity in preparing the soil and planting.

Times change. 30 years ago when we moved to Linton, we would have said, *seeding*. Wheat, barley and flax have given way to corn and soybeans.

**How are you changing? Are you growing in your relationships, beginning with your relationship with the Heavenly Father? Do you know Him as your Father?**

As I write this we are making last-minute preparations for the Passion Play. This year the cast is the largest ever—at least 80—with

many more helping in support roles. What is even more interesting is that half of the cast are involved for the first time, several of these new to the TBC family since the last time we offered the Play in 2009. **Thank you to the 100+ people assisting in the Passion Play production!** I thank God for you.

The TBC family is growing numerically. **Are we growing deeper in our love for the Lord and the people He loves? How are we joining God in what He is doing where we work, live, go to school? Do we see those places as our (His) primary mission field?**

**Sunday, April 7** we will celebrate what God did through the Passion Play. We will also begin a **new series, Bodybuilding, focusing on some practical ways for the TBC family to grow stronger as we walk with our Lord.**

Jesus invited His disciples, *Follow me.* I believe He invites those who would be

His disciples today to do the same.

*I planted the seed, Apollos watered it, but God made it grow. So neither he who plants nor he who waters is anything, but only God, who makes things grow. The man who plants and the man who waters have one purpose, and each will be rewarded according to his own labor. For we are God's fellow workers.*

**YOUTH PURPOSE STATEMENT:** *Students with a desire to **REACH** out to their community, **HONOR** God, **DEVELOP** friendships, **SERVE** out of their unique **SHAPE** and **GROW** in their relationship with God and man in order to win our world for Christ in their lifetime.*

From the **PowerHouse Youth Ministries:** Spring is in the air, but there is still snow on the ground.

This is quite an unusual site for me. By this time in Georgia, you can easily see the familiar signs of Spring appearing. The trees and plants are in bloom, the temperature is rising, and the grass is turning greener. One of my favorite things about Spring back home is the return of fireflies. In a few weeks you will begin to see the familiar glow of fireflies blinking throughout our neighborhoods. The interesting thing about fireflies is that one must begin blinking before the others will join in. If you have ever watched them as I have, you will notice a faint signal of one firefly followed by more and more until the darkness is filled with the flicker of yellow fire light. At first you have to strain your eyes to see them. You have to really focus and concentrate. After a while though, they become easier to find. We can learn a lot from fireflies. If we would begin to let our light shine, it would soon become contagious. The world is straining to see if there is any real truth to believe in. As believers, we know the truth. It is up to us to take that truth to a world that so desperately needs it. All it takes is for one person to begin shining his/her light, and before long it would spread throughout the entire world.

As Spring begins to unfold, I challenge you to think of new ways to let your light shine. And the next time you see a firefly, think about the power of one tiny light in the darkness. Will you be bold enough to be that light? After celebrating this Easter season, may we each grow in the knowledge of Christ and the power of His resurrection. Thanks for your continued prayers as we strive to reach every student in Jamestown with the Gospel of Jesus Christ. Remember to get out there and transform your world...

In His Peace,

*Randy*

## Brandon Bondley

**Background:** Born and raised in Bismarck, ND, (graduating from Bismarck High School), Brandon attended NDSU (Fargo). Following completion of his degree requirements, he started his teaching career as an elementary band/music teacher in Bismarck, as well as coaching girls' golf at Bismarck High School.

**Family:** Brandon's parents, Keith & Darlene Bondley, are both very supportive of all their children—and they love the Lord greatly. Both Dominique (older brother, Bismarck) and Kellie (older sister, Linton, ND) are married and have two children; Jordan, a younger brother, was a Jamestown College student and now lives in Minnetonka, MN (Minneapolis suburb); his youngest brother, Zack, lives in Wichita, KS.

**Vocation:** After teaching in Bismarck for three years, Brandon moved to Jamestown this summer to assume his responsibilities as the Jamestown High School band director. He says, "the students in the band are top notch, and my colleagues have really made me feel welcome."

**Hobbies:** One of Brandon's favorite summer-time activities is playing golf; he is hoping to get to know the Jamestown courses this summer! Music, besides being his "bread and butter", is also something he very much enjoys! His musical instrument of choice is the trumpet (since Grade 5). He enjoys playing all styles of music and has played in many venues: church worship teams, brass groups, concert and jazz bands. He also enjoys playing a variety of card and board games; Pinochle is his favorite!

**Spiritual Background:** As a young child Brandon often attended prayer meetings with his parents. Following one of those meetings, Brandon asked his dad why all the people were so happy when they were singing songs. His dad responded that they knew Jesus and were joyful because He died for their sins. Brandon recognized, even then, that he was a sinner; he had "missed the mark". This was, for him, Good News! He asked Jesus, that very day, to forgive his sins. His choice of TBC was influenced in several ways: first, his brother Jordan attended TBC while in college here; secondly, his church family in Bismarck encouraged him to come to TBC; lastly, he says of his first Sunday at TBC, "the people were so inviting and welcoming that I felt like it was the place for me."

### **Did you know?**

- Brandon knows how to solve the Rubik's Cube!
- His mom still gives him haircuts—he's only been to a barber about five times in his entire life!
