AROUND THE WORLD

Kuwait - 86.2% Islam; 8.1% Christianity
Kuwait is a small, oil-rich country at the northern tip of the Persian Gulf. Though freedom of belief is a constitutional right, other laws restrict religious freedom and are enforced by Kuwait's government. While the government financially supports Sunni Muslims who proselytize foreign residents, non-Muslims are forbidden from sharing their faith. Laws also prohibit apostasy and blasphemy. While the majority of Christians are foreigner, there are believed to be a few hundred Kuwaiti believers.

Please take note of the business meeting **next Sunday**, December 10 at **9:30am** in the **elementary Sunday school classroom**. Discussion will include the 2018 budget and election of elders and officers.

The Christmas season brings opportunities to ring bells for The Salvation Army. If you are interested in volunteering your time in this way, please call 701-252-0290.

Thanks for worshipping with us this morning. If you are new or visiting, please fill out the response form attached to this bulletin. We want to know you're here!
