AROUND TBC

Plan to attend the important business meeting TODAY following the Worship Service to discuss the Constitution/Name changes.

AROUND THE NAB CONFERENCE

Laci and Eszter Daróczy-Csuhai, Hungary Laci is a master trainer with the Misszió az Egészséges Közösségéért (MEK) Team in Hungary. He is responsible for teaching advanced Community Health Evangelism to leaders and workers in Hungarian-speaking areas through vision conferences, training seminars, and development courses. Recently, Laci, another MEK staff member, and a team of volunteers from two NAB churches transformed two shipping containers into a mobile community center for the Roma in Boldog, Hungary. Eszter also works with MEK, setting up and leading MEK's Women's Cycle of Life and children's training programs. Pray for their continued work with MEK

AROUND THE WORLD

Turkey - 0.21 % Christians; 96.64% Muslim
 Religious nationalism has grown to new heights. President Erdogan has strengthened his position, trying to transform Turkey from a secular state into a Sunni Muslim one. Leaving Islam for Christianity is considered a betrayal of the Turkish identity, Islam, and the family. Christians have no access to state jobs and experience discrimination in private employment, especially where employers have ties to government. Pray for God to enable those experiencing persecution to place all hope and trust in Him.

AFRICAN WATER PROJECT: TBC has been collecting funds for the Orisai Village in Africa where drought is a common problem and the people suffer needlessly from a lack of access to clean water and proper sanitation. Our goal was to raise \$22,000. The total raised was \$7,315, with a match of \$10,000. PRAISE BE TO GOD! We are short of our goal by \$4,685. If you would like to help us reach our goal, funds will still be accepted.
