Bearing Burdens and Setting Boundaries

Galatians 6:1-10 (*It's About Time #8*)

How do we build appropriate boundaries in order to most effectively serve God with our time?

1) How can I set appropriate limits in order to most effectively serve God with my time?

2) How can I use my talents appropriately to most effectively serve God with my time?

3) How am I showing what I value appropriately to most effectively serve God with my time?

4) How am I expressing love appropriately to most effectively serve God with my time?

Around the World

Cuba - 56.2% Christian; 23.1% Non-religious
 Withdrawal of Soviet aid in 1990 led to economic downturn in Cuba, resulting in rationing of energy and food. Laws and government-authorized surveillance allow the government to limit and monitor religious practice. Churches are prevented from maintaining their own finances, and any community deemed too independent of government control is targeted for harassment, such as fines, mob attacks, and short-term arrests of leaders.

A **Discovering Church Membership** class is scheduled for **next Sunday, February 26** (TBA). If interested in church membership and/or baptism, **please contact the church office.**

Thanks for the cards, phone calls and prayers - all assisting in my healing.
