Around the World

SOMALIA - Muslim 99.7% ; Christian 0.3%
Most Somali Christians are secret believers who worship in house churches. Islamic radicals have vowed to eradicate all Somali Christians. The murder of Christians, specifically Muslim converts to Christianity, is increasingly common. Conversion to Christianity is not illegal, but it is socially unacceptable. Distribution of the Somali Bible is currently possible only in refugee camps and outside the country.

SYRIA & EGYPT: PRAY for God's peace and for protection for His people. PRAY for progress in the peace negotiations.
