AROUND THE NAB CONFERENCE

Brandon and Marci Jones - Brazil

Brandon and Marci knew God wanted them to be missionaries, but it wasn't until 2015 that God directed them to Brazil. Once they have completed fundraising, they will be joining other missionaries at a seminary in Rio Grande do Sul. They just completed COMPASS training to help their family prepare for living in a different culture, and they are looking forward to August, when they will visit Marci's parents in Kenya, where they are missionaries; this will be the first time Marci has been back in 18 years and the first time the rest of the family will see where Marci grew up. Pray for their ongoing fundraising and for their travels to Kenya.

AROUND THE WORLD

Bahrain - 2.9% Evangelical Christian; 83.23% Muslim

Despite being a majority Islamic country, Bahrain is relatively religiously tolerant due to the country's international prominence in banking and trade. However, the rulers are still well known for consolidating power through repressive means. Persecution results from prohibitions against Christians proselytizing Muslims, restriction of religious expression, and inhibited freedom of assembly. Leaving Islam is considered a betrayal of tribe and family members.

The North Dakota Orphan Grain Train Branch is having an Open House and Dedication on Saturday, July 21st from 1-4 pm at 103 4th Ave SE. Join them in celebrating all that God has done....In four years, they have gone from the basement of Concordia Lutheran Church to a huge warehouse of their own. They offer assistance worldwide and locally and are grateful for the Jamestown community for making this possible. See newsletter on the bulletin board for more information and ways to help.
