AROUND THE NAB CONFERENCE

Marijana Cizmanski - Serbia

Marijana works in leading the development of Community Health Evangelism ministries in Serbia, especially around the city of Novi Sad. Marijana has a background in hospice care and social services, both of which have helped shape her love for those in great need. Next month, in partnership with Proclaim International, Marijana and her team will be holding a local fiesta in Bačko Gradište to allow the villagers to get to know them and for the team to bring a little fun to the village. Pray for this event, and for all of the connections Marijana and her team continue to make.

AROUND THE WORLD

Mauritania - 0.1% Evangelical Christian; 99.75% Muslim

The "Islamic Republic of Mauritania," the autocratic government of Africa's 11th largest country, often acts as protector of the Islamic religion. As a result, the state is a major source of persecution. Radical Islamic preachers and militants contribute to the radicalization of society, fueling antagonism and hatred toward non-Muslims. In addition, a caste system marginalizes darker-skinned Mauritians and those who do not adhere to Islam. Pray for forgiveness and change in unjust social structures and attitudes in this racially divided time in Mauritania's history.

Thrive Fest North will be held at the Red River Valley Fairgrounds in West Fargo on August 10th - 12th. Their mission: "We want to make a difference in your community. By giving people hope through music, inspirational speakers and family memories, we can empower each person to make a difference in the lives of the people they come in contact with daily". See poster on the bulletin board or go to www.thrivefestnorth.com for more information.
