

# PowerHouse Youth Ministry

## YOUTH PURPOSE STATEMENT

Students with a desire to **REACH** out to their community, **HONOR** God, **DEVELOP** friendships, **SERVE** out of their unique **SHAPE** and **GROW** in their relationship with God and man in order to win our world for Christ in their lifetime.

YG14 (*The Gathering*) is our NAB Youth Conference, which meets every triennium. This organization has begun to strategically partner with organizations and churches all over the

world for the sole purpose of helping further youth ministry within certain regions and countries.

Our students and sponsors will be working alongside churches (Orange County, CA) who are already making an impact in their communities! By serving each day at *The Gathering*, students will be helping to restore areas of a city as well as helping to build a stronger connection between the local church and community.

## Andrew Ronan

**Background:** Andrew is a Jamestown native, having graduated from both JHS and the University of Jamestown.

**Family:** Gary and Jo Dee Ronan are Andrew's parents; Andrew has an older brother, (Justin), an older sister (Amy) and a younger sister (Caitlin).

**Vocation:** Andrew is Buyer 1 at United Technologies Aerospace Systems.

**Hobbies:** Between work and continuing studies, Andrew enjoys volleyball, Frisbee golf, playing acoustic guitar, cooking, hunting, trapshooting—anything outdoors!

**Spiritual Background:** Being part of the TBC family, Andrew came to know Jesus Christ as his Savior when he was younger. He credits his

involvement with CRU (during college) with his coming to know what following Jesus really means. His involvement at TBC has included playing bass in the youth band, participating in Bible Studies, going on mission trips (twice to Mexico; once to Russia and once to Miami, FL), volunteering with Awana, delivering *Meals on Wheels*, being part of the *Passion Play* cast and singing with a worship team. He will be going to Northern Ireland (July 17) where he will be helping at a youth center to build relationships, community and fellowship through a variety of ways. Please pray with Andrew that God will work in people's hearts; for God's direction/guidance for every step; for complete reliance on His power and for those who need to hear the Gospel to be present at the youth center.

### **Did you know?**
