Around the World

***UGANDA** - 84.7% Christian; 11.5% Muslim

The strong evangelical presence of the Church of Uganda and renewal movement in the Catholic Church make Uganda "one of the most truly Christian nations in the world". Church attendance is high and public prayer is common. One of Uganda's ongoing battles is with the cult-like Lord's Resistance Army (LRA); also, Islamists have been pouring resources into East Africa with the objective of driving Christians out.
