AROUND THE NAB CONFERENCE

Mayette Ativo-Bueno - Philippines

Mayette directs the Bicol Center for Christian Leadership, which provides biblical and theological training for pastors and church leaders. BCCL is now in its 18th year, and seven teachers have already or are planning to visit to teach this year. Please pray for the center, the students, and the staff during the height of the typhoon season, which typically runs May through October. Also pray for Mayette's ministry as she strives to know each student and serve them directly and intentionally.

AROUND THE WORLD

Chad - 54.7% Islam; 35.6% Christianity

Most of Chad's population relies on subsistence farming and livestock, though the country has recently become an oil exporter and has a wealth of gold and uranium. Though Chad is considered a secular state and promises freedom of religion, Muslims control most aspects of government and business. Islam continues to spread, and many Muslim schools and mosques have been built in Christian communities, causing tension.

"Elaine and I are so grateful for our loving TBC Family. The North Dakota welcome basket presented to us a few weeks ago in such an innovative way was a generous expression of your love for and acceptance of us. The prayers, cards, and expressions of sympathy during my Father's home going helped enable us to rejoice through our tears. Thank you for accepting us in spite of us! We love you and we feel loved by you!"
