**GOD'S FIELD . . . US**

1 Corinthians 3:1-9 (*God's Garden #1*)

- ◆ We are His field.

*So then, just as you received Christ Jesus as Lord, continue to live (walk) in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness. Colossians 2:6-7*

I think God may be at work in me in . . .

- ◆ We work together with Him.

How are you joining Him in His work?  
With whom?

- ◆ He makes things grow.

*All over the world this gospel is bearing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth. . . We pray . . . that you may live a life worthy of the Lord and may please him in every way: bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to his glorious might so that you may have great endurance and patience, and joyfully giving thanks to the Father, who has qualified you to share in the kingdom of light. For he has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves, in whom we have redemption, the forgiveness of sins. Colossians 1:6, 10-14 (cf. 2:19; Ephesians 4:15-16; John 15)*

One place I see God bringing growth is . . .

**NEXT STEPS**

Review the outline, verses and questions. God's original purpose for the man in the first garden was *to work (serve) it and take care of (keep) it*. Genesis 2:15 Those words can also mean *to worship and obey*. How can your work in/as God's field emphasize worship and obedience? Pray.

## Nick & Iris - East Asia

Nick and Iris are pioneering a new work in East Asia. They have a tremendous opportunity to equip leaders on the campus of an important university and work within the educational environment. Pray for Nick and Iris in these early days, especially that they would make meaningful relational connections with leaders and students in the area they serve. Pray for emotional and spiritual strength for them as they integrate into a new culture and a new setting.
