JUNE 2015 VOLUME 15, ISSUE 6

God sent the rain and now things are really green! Our Father is the giver of every good and perfect gift (James 1:17). Schools are concluding for the summer break, and lifestyles in the north country shift dramatically to take advantage of the summer sun and warmer weather. We work and play harder.

Sometimes we find it difficult for time with the Lord and His people. Beginning May 31 I will share a summer message series from 1 John, *Real Community*. What does it look like to live and participate in, to enjoy, real community? John's letter is to followers of Jesus who are asking these questions, when faced with those who are distorting the truth about Jesus and what He did for us.

Community, who we are in Christ together, is something that we in western societies find increasingly difficult to understand, yet are in such need. Please pray for me and this series. I welcome

TO WORSHIP GOD, HELP PEOPLE TO KNOW JESUS CHRIST PERSONALLY, GROW TO BE LIKE HIM, SHOW HIS LOVE, AND GO WHERE HE LEADS . . . TOGETHER.

your thoughts, questions, suggestions and insights. Take some time to regularly read through 1 John.

Summer Sunday School will be a joint time (children through adults) centered on the Ten Commandments. We are looking for more facilitators. Please contact Pat Motschenbacher, John Elhard or Pastor R2 with your questions or interest.

The new piano (7' Yamaha C6X) on the stage is an exciting development. Although not at the top of the TBC priority list, interest by several people and the savings of an additional \$5,000 with a no-obligation trial period, spurred consideration. As this is not a budgeted item, all gifts are to be above regular giving. We invite your financial participation in the piano key purchase for \$250 each. Consider giving in honor or

memory of a loved one. Join together as a family, with other families, or consider giving toward several keys. The previous piano, now almost 100 years old, served us for over 50 years. If you have an interest in this instrument (Baldwin) or other questions, please contact Kathy Nill, Bernie Satrom or another member of the Worship Ministry Team.

Please pray for the completion of the sale of the church building on 4th Avenue NW. Pray specifically for the sale of the home of the couple who signed the purchase agreement and that all details will come together by the end of July.

We proclaim to you what we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ. 1 John 1:3

YOUTH PURPOSE STATEMENT

Students with a desire to **REACH** out to their community, **HONOR** God, **DEVELOP** friendships, **SERVE** out of their unique **SHAPE** and **GROW** in their relationship with God and man in order to win our world for Christ in their lifetime.

Summer is finally here!!! Warm weather and outdoor fun will be the rule of the day. Summer is a time for us to shake off the “scales” and extra layers of clothes for a time of freedom and fun in the sun. Summer is a time to experience the fullness that God offers us; a time to experience true freedom.

Sunday School this summer will be a combined session (adults, youth and children). We will meet each week at **9:20 a.m.** to **discuss the importance** of the **Law of Moses** (Ten Commandments), and how it applies to our lives today. **Kick-off** for this new class **begins June 7**, with a time of fun, fellowship and games. The **first class session** will begin **June 21**. (CSB Camp Staff will be our guests on June 14.) We will also provide time to **answer questions** that you may have called “Thoughts From the Fishbowl”. If you have a burning question about the Bible, your faith, or life in general, fill out the paper slip and place it in the Fishbowl (located in the Fellowship Hall). Three to four questions will be answered each week as a part of this summer series. **Please make plans to attend** with your **whole family** as we dig deeper into God’s Word.

Our **PHYM Summer Movie Series** begins **June 3**. We will be watching different movies on Wednesday nights during the summer, critiquing them through the lens of a Christian Worldview. We will also be looking at other media--TV, music and books. This meaningful summer series will enable our students to critically look at what they watch, listen to and read. It will help them develop the habit of filtering all of life through Scripture and a Christian Worldview. Please feel free to call me or email me if you have any questions.

In His Peace,
R2 (Randy)

Alan Faszholz and Annamarie Faszholz

Background: Although Alan was born in Illinois, he spent most of his “growing up” years in Hawley, MN. Annamarie was born in Fargo, ND.

Family: Alan’s mother lives in Moorhead, MN; his father passed away in 2005. Three sisters are spread throughout Minnesota, and his brother lives in Colorado. His daughter, Annamarie, who just completed the 7th grade, is a wonderful young lady!

Vocation: Employed by UTC, Alan is an electronics engineer. He designs both hardware and embedded software for airplane cargo systems.

Hobbies/Interests: Playing volleyball is one of Alan’s spare-time interests. He also received his SCUBA certification last year and is anxiously waiting to use it! Besides these “fun” interests, Alan is also studying/learning the French language. Annamarie likes riding her bike, reading and writing, swimming, drawing and texting with her friends. School activities include swimming, speech and drama.

Spiritual Background: At 5 years of age, Alan, with his church family, watched the *Left Behind* movie series. He decided that he did not want to be “left behind”, so he asked Jesus to come into his heart. He moved to Jamestown in 2008 and tried a few churches. In 2010 he moved into an apartment just two blocks from TBC, and he started attending as he was able. God provided for him and Annamarie to be able to attend full time in 2012.

Did you know?

- As a young boy, Alan began copying one of his Dad’s “quirks”--using a “Donald Duck” voice. This made camp more fun: to get mail, campers were required to sing. So Alan sang *On Top of Old Smokey* in his “Donald Duck” voice!
- Because God has allowed modern medicine, Alan is NOT legally blind! Before he turned 40, he was able to have cataract surgery on both eyes.
- Annamarie just has to do her open water dives to become SCUBA certified!

TBC will be delivering *Meals on Wheels* during the month of June (Saturday and Sunday noon meals). If you are willing to help, please contact Fred Aziz (252-4578), or use the Response Form. (Specify available dates.)

Volunteer Opportunities

Help is needed at the Welcome Center during the summer months. Please contact Lori Love, or use the Response Form. (June 14 and August 23 are the only dates filled.)
