Around the World

Eritrea - 47.4% Islam; 48.8% Christianity

Eritrea remains under the control of the sole political party and has become one of the most secretive nations in the world. The country faces drought and food insecurity. The government instituted a registration requirement for religious groups, but no registrations have been granted. The government arrests those involved in unregistered groups. Those arrested are never formally charged, and they are denied legal counsel and family visits. Religious prisoners are sent to the harshest prisons. Christians are pressured to recant.

Around the NAB Conference

Matt Van Peurse - California
Catalyst opened its doors at the end of 2014. They have sought to reach those for whom church is a scary place and Jesus is an unfamiliar figure. They are in the middle of relocating from a portable church to a space all their own. **Pray** for the continued funds needed to renovate their new space. **Pray** also that their community groups will successfully balance weeks of communion, community, and mission.

Thank you to Leta Peterson for her service as TBC Assistant Secretary this past year! Please welcome Sarah Heller as she begins her service!

All are invited to the **OneCry Prayer Conference**, April 6-8, Century Baptist, Bismarck. **NO** registration fee; an **offering** will be **received**. Unite in prayer for our nation, churches and communities. (See poster for details.)
