## AROUND THE WORLD

**Turkmenistan** - 96.16% Muslim; 1.83% Christian; 0.0% Evangelical  
 The atmosphere of the country is experiencing positive change. Turkmen citizens can travel abroad and within the country much more easily. Two Protestant churches have recently been allowed to officially register and meet publicly. Pray for godly wisdom for the new leader of the government, and for a departure from oppressive policies of the past. Pray for the respect of constitutionally guaranteed human rights and religious freedoms. Pray also for security forces, who are monitoring Christians, to encounter the Gospel. Pray their hearts would be softened.

### CEF BANQUET:

The annual CEF Banquet will be held Monday, March 25th at the Quality Inn. Social time is at 6 :00 pm with the banquet starting at 6:30 pm. This years speaker will be Philip Annett, who has served with CEF Ireland, and currently serves with CEF International Ministries. TBC is again sponsoring a table. If you would like tickets, please let the office know.

## AROUND THE NAB CONFERENCE

**Julie Stone, NAB Missionary in Cameroon.** Under normal circumstances, Dr. Julie Stone serves in Cameroon at Bansa Baptist Hospital, but due to the ongoing crisis in Cameroon, she has primarily been working at Mboppi Baptist Hospital, though she has also spent time at the health center in Bamenda and at Mbingo Baptist Hospital.

Her duties mostly focus on teaching, but she also cares for patients, which she considers a privilege because she is free to share the truth of Jesus and what He has done to deliver people from the second death. Pray for the ongoing strife in the areas around Bansa Baptist Hospital, as well as the overall situation in Cameroon. Pray as well for the successful commencement of the chemotherapy program at Mboppi Baptist Hospital.

### Pastoral Search Prayer:

Pray for the Search Team to have God's wisdom in all the questions and information they share with the prospective lead pastor. Spirit-led thoroughness is essential. (1 Corinthians 2:10-16).
