Connecting with God and You

MARCH 2014
 VOLUME 14, ISSUE 3

The old adage says that if March comes in like a lion, it should go out like a lamb. Let's hope that since it came in frigid, it will go out much warmer. We are all looking forward to signs of spring.

Growing is the plan for March. We continue in our *This We Believe* series (March 2 – Jesus; March 16 – Holy Spirit; March 23 – Mission).

Rev. Ron Norman, president of the NAB Foundation, will be our guest **March 9**, sharing practical tips on getting out of debt (9:20 a.m.), understanding stewardship (10:30 a.m.) and then sharing an Estate Design Workshop (1:30 p.m.—no cost) for all who would like help navigating (or reviewing their current plan) this important life decision. He will be available for individual appointments after the

workshop. Ron (a former pastor) is knowledgeable, caring and helpful. **Please sign up or contact the church office for the Estate Design Workshop.**

Lance and Debi Rundus, NAB missionaries to Cameroon, will be our guests Sunday, **March 30**. They will challenge, inform and share how we are part of God's work.

Pastor Randy Brown (R2) will **begin a series March 16** on Sundays (**9:20 a.m.**) in the sanctuary, **iFaith**. He will first give an **overview of the five world religions** and then move to **two popular cults**. He will share similar material with the Youth.

The Jamestown Ministerial Association is again sponsoring **Wednesday Lenten Luncheons (soup & sandwich, 11:45 a.m.)** and **Worship (12:15 p.m.; offerings will go to Jamestown Homeless**

- Coalition).**
- March 12: Ave Maria Chapel – *I Was Hungry*
 - March 19: TBC – *I Was Thirsty*
 - March 26: Basilica of St. James – *I Was a Stranger*

I invite you take advantage of these public growth opportunities, along with the growth, care and mission that is a part of small groups. **Please continue to pray for God's direction for the 4th Ave. NW building as the buyer backed out of the purchase agreement.** This, too, I believe, is an opportunity to grow in faith.

Just as you received Jesus Christ as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.

Colossians 2:6-7

TO WORSHIP GOD, HELP PEOPLE TO KNOW JESUS CHRIST PERSONALLY, GROW TO BE LIKE HIM, SHOW HIS LOVE, AND GO WHERE HE LEADS . . . TOGETHER.

PowerHouse Youth Ministry

Praise God for His work among us! Last month our young people completed the study, *The Best Sex Ever* and participated in the *True Love Waits Commitment*.

The new format on Wednesday nights is working well; we meet for a time of large-group teaching and then break into small groups to unpack some of the important concepts.

The core message of our Student Ministry is to equip students with the tools to live a life that functions at "the point of impact"; living with a personal Savior who wants to give us an abundant life. This abundant life then impacts the people and community in which we live.

The point of impact of any crash is where the most force and change occur. It is the same way with our relationship with Christ. Christ's death on the cross

was the point of impact that changed the world. It changed, forever, the way man would connect with God. If you are tired of just existing and want to be "fully alive", come along with me on this journey of discovery as we seek to live life at the "point of impact".

As we approach the Easter season, may we each grow in the knowledge of Christ and the power of His resurrection. As a way to help our students and church body understand the significance of Easter, we will be having several different services to help illustrate the redemption story of the Crucifixion and Resurrection. Thank you for your continued prayers as we strive to reach every student in Jamestown with the Gospel of Jesus Christ. Remember to get out there and transform your world...

Randy

Tyler Hoy

Background: Tyler was born in Gillette, Wyoming; he graduated from Campbell County High School, then moved to Jamestown to begin his studies at Jamestown College.

Family: Tyler's mom and stepfather reside in Gillette; he has a stepsister and a half brother. He also has stepbrothers and stepsisters from his Dad's side of the family.

Vocation: Since August 2013 Tyler has been employed as the Physical Education/Health teacher at Montpelier Public Schools. He works with students from kindergarten through grade 12.

Hobbies/Interests: Being a "people" person, Tyler just really enjoys being around people, especially his family and friends.

Spiritual Background: Tyler grew up in a Christian family, attending Central Baptist Church (Gillette). During the 1997 VBS, Tyler made a decision to receive Jesus Christ as his Savior. (He had invited two friends—not from Christian homes—to come to VBS, hoping/praying that they would raise their hands to receive Jesus.) While Tyler was praying for his friends' salvation, he felt God tap him on the arm, saying, "Maybe you should raise your hand!" After coming to Jamestown, Tyler was invited to come to TBC with two of his roommates. When he came to church that Sunday and found so many people "waiting to shake hands", he felt right at home. Tyler is involved with the Youth and the DAWG Pound. He also participated in the 2013 Passion Play as Malchus (the servant whose ear was cut off).

Did you know?

- Tyler used to be able to flick an M&M into the air with his ear and "catch" it in his mouth!
- Fellow classmates from Gillette attended Jamestown College with Tyler every year except one!
- Tyler has had five brain surgeries—on five separate occasions.
