**MAY 2015**  
**VOLUME 15, ISSUE 5**

**THANK YOU!!!!**  
**Well over 125 of you helped with the Passion Play**  
(cast, crew, makeup,

parking, greeting, serving, etc.). Many of you also gave your Sunday afternoons (since late January) for rehearsals. Responses confirm that the production overall was the best of the eight times we've offered the play. The new scene was especially well received, and the people backstage did an outstanding job.

**You were part of sharing the good news of Jesus, but not just in the actual play.** The good news of Jesus is reflected in how we treat each other as community, how we treat others not a part of TBC. That happened in your inviting people, speaking with people, listening to people.

Last month I wrote about practices that help us learn to listen **to** God so that we are better able to listen **for** God. Where/how did you hear or

**Lighting the Way Together**  
**TO WORSHIP GOD, HELP PEOPLE TO KNOW JESUS CHRIST PERSONALLY, GROW TO BE LIKE HIM, SHOW HIS LOVE, AND GO WHERE HE LEADS . . . TOGETHER.**

see God at work in and through the Passion Play? In your life? Others? Please email your observations to the office or use the bulletin Response Form.

**One way I heard and saw God at work was not just in the play itself, but also in how so many joined after the last performance to help prepare the church for the family prayer service and funeral.** Within an hour of the last prayer the stage was removed, cleaned, musical instruments replaced, sets back in the storage garage and rooms ready for the custodian's cleaning. You then came together to set up, serve and take down for a large funeral.

I was exhausted in many ways, but so deeply grateful to God for you. **You demonstrated the good news in humble service.**

I observed the hope of Resurrection Sunday in our fatigue, our grief, our prayers, our time together.

**God used you powerfully to proclaim His good news.**

*But we have this treasure in jars of clay to show that this all-surpassing power is from God and not from us.*

  - Sunday, May 24, 9 a.m.** TBC Graduates' Brunch (Fellowship Hall)

# PowerHouse Youth Ministry

May (in the South) is generally the month when flowers are in full bloom, the grass is bright green, and shorts are the daily fashion. Not so in North Dakota! May is the beginning of the “thaw” from the long, frigid winter season. The temperatures are finally “normalizing”, which gives birth to a sense of hope for the warmer summer months. Spring is the beginning of new life for plants, animals begin to give birth, and many people begin new journeys in their lives. Graduation is one of those life journeys that propel people to new possibilities and untapped potential.

The Class of 2015 will soon walk across the stage, signifying the closing of an important chapter in their lives. They will also be stepping into a new journey that is filled with so much possibility and potential. We say “goodbye” to these students with heavy hearts. They have been a vital part of our Student Ministry: They have provided leadership and stability to a Student Ministry that has gone through transition these past three years. They will be missed. We are also very excited for the doors of possibility that each of these students will be walking through. Our prayer for them is that the experience and love they have gained at TBC will propel them into great endeavors for the Kingdom of God. We wait with expectant hearts to see what God has in store for them. Please pray for each of our graduates as they embark on this new and exciting journey in their lives.

In His Peace,  
**Randy (R2)**

## Brian Landis

**Background:** Brian tends to avoid this question because . . . he was born in Montana, but moved to Massachusetts before his first birthday. His family then moved to Iowa on his fifth birthday, followed by a move to Kazakhstan for a year when he was 12. They returned to Iowa for four years before moving permanently to Kazakhstan during his sophomore year of high school.

**Family:** Brian’s parents still live in Kazakhstan. He has two older sisters living in Seattle: one is married; his other sister is engaged. A younger brother is finishing college (Boston) this spring. In following God’s calling on each of their lives, they’ve ended up spread across the globe. (Keeping in touch, though, is easy now with Skype.)

**Vocation:** Brian’s belief is that God has called him to live an ordinary life: loving family and friends, working, engaging in community, testifying to the hope he has in Christ. He also has a passion for building / fixing things and is employed as a mechanical engineer with UTC / Goodrich.

**Hobbies/Interests:** Like his Father (a professor), Brian is a bit of an “academic” — he loves to learn. He also cooks and builds R/C airplanes. Recently he has taken up trail biking with Ben Carroll and Andrew Ronan.

**Spiritual Background:** Brian is amazed when he steps back and remembers what the Lord has done in his life. As a kid, his parents were all too keen to point out his need for a savior. In time, Brian came to agree with them and turned to Christ. Not satisfied to leave Brian at that place, Christ has continued bringing Brian to places and people that point to Himself. One of these places is TBC, where Brian has been coming since the first Sunday he was in Jamestown.

### Did you know?

Brian has spent more than two weeks of his life flying on airplanes: 20 international trips and over 100 airplanes.
