AROUND THE NAB CONFERENCE

Gary Clatterbuck, NAB Missionary in Russia. Gary Clatterbuck is the field coordinator for Russia working under Moscow Theological Seminary. He helps provide consultants, upon request, to ten different Learning Centers across Russia. He continues to work with MTS to plan future ways consultants can serve the developing leaders in all of Russia.

A law passed last year calls for tighter restrictions on missionaries and evangelism, and there has also been pressure placed on evangelical schools. Even so, Gary continues to connect individuals from the United States and Canada with ways they can assist MTS. Pray for the hearts and actions of Russia's leaders, as well as the complicated logistics it creates for Gary's work with MTS.

AROUND THE WORLD

Iran - 98.64% Muslim; 0.51% Christians; 0.2% Evangelicals
In contrast to the neighboring Arab Gulf countries, the main threat for Christians comes from the government in Iran. The Iranian regime defines Iran as an Islamic State based on Shia Islam. Christians and other minorities are seen as an unwelcome distraction from this plan. Although some reports mention pressure from families and communities on converts from Islam to Christianity, Iranian society is much less fanatic than their leadership.

The Jamestown Regional Medical Center Auxiliary would like to thank TBC for the use of the church for our May 1st Salad Luncheon. We cannot tell you how appreciative we were when we arrived to decorate and found the tables and chairs all set up. The church is a wonderful setting for the salad luncheon and the monies received are given to the JRMC Oncology Unit.

If anyone has borrowed books to Pastor Kalen, feel free to stop in the office and pick them up.
