NEWS FROM JRMC:

Telecare is a free service for community members who may live alone, are home-bound, disabled, recuperating from an illness or injury, or do not have anyone to check on them. A volunteer calls weekday mornings between 8am - 10am to simply give a friendly "hello". Telecare gives peace of mind to our clients and their families. It can be a lifesaving service, but more importantly, it offers friendship, kindness and a connection to the community. If you or someone you know may be interested in this service please call Mary Engels with JRMC Volunteer Services at 701-952-4809.

AROUND TBC

Today will be the last day of Sunday School for all ages. We will start up again in the Fall.

AROUND THE NAB CONFERENCE

Tony Campos - Sacramento, CA

Casa de Luz is a Hispanic church reaching immigrant families in the community. One of the fruits of the recent addition of an English service is a new church plant in Patterson, California, which launched on April 1, 2018. Pray for a couple of exciting opportunities to support large churches as they start Hispanic ministries. Also pray for people who are seeking to join Casa de Luz in future ministry in Stockton, California. Above all, pray Casa de Luz will shine the light of Christ in the midst of the dark places in the neighborhood where God has planted them.

AROUND THE WORLD

Libya - 96.1% Islam; 3.2% Christianity

An interim constitution protects religious freedom, but the government continues to prohibit proselytizing Muslims. Attacks on Christians and their property are not investigated. There are no churches in Libya, but believers are allowed to worship in their homes. Extremist groups have carried out numerous attacks against Christian minorities.
