Rethinking Membership

1) What is keeping me from assuming the form of a servant?
(Thought)

2) How is the discontentment in my personal life feeding the entitlement I believe I have at church? (Attitude)

3) Through what service to my church can I confess that Jesus Christ is Lord? (Practice)

AROUND THE NAB CONFERENCE

Tony & Fabiola Campos - Sacramento, CA

Casa de Luz is an Hispanic church; last year they launched an English service. As a result, they have seen people from different backgrounds come to know the Lord. *Casa de Luz* is involved in two new church plants: one in Natomas (north Sacramento neighborhood); and one in Lodi (rural city south of Sacramento). Tony and his wife have three children. **Pray** for the development of new leaders within the English ministry. **Pray**, as well, that the new church plants will effectively reach out and disciple those within their community.

AROUND THE WORLD

Mali - 87.6% Islam; 2.7% Christian

The country has a strong tradition of tolerance and openness toward all religions. Members of different religious groups often attend each other's weddings, baptisms, and funerals. However, in strict Muslim communities, conversion to Christianity is unacceptable, and several new believers have had to flee for their lives.
