Around the NAB Conference

Tony Dunaway - Every Orphan's Hope

EOH shares the love and hope of Jesus Christ in Zambia by bringing orphans and widows together to build new lives as families. *My Father's House* orphan homes create safe, Christ-centered environments for kids who have suffered much hurt and despair, but now experience love and acceptance. One of Tony's current priorities is expansion of the *Chicks-4-Orphans* poultry project (engaging local funding to support ministry activities). **Please pray** for EOH "mamas" who have the primary role in raising these children (currently in need of three additional "mamas"). Also **pray** about getting involved in Orphan Sunday (November 8), a day when the church comes together with one voice, for one purpose—to stand with the orphan!

McClusky Baptist Church - McClusky, ND
Pastor James & Rosemary Grupp

Around the World

***COLOMBIA** - 2.4% Non-Religious; 94.4% Christian
Guerrillas, drug cartels and paramilitary groups target religious leaders who oppose their drug activity. These groups have openly committed murders in public streets and on buses. When members of these groups become Christians, they quit fighting, thus draining the organizations' manpower. Many pastors have been assassinated or have fled the country. In spite of these threats, Christianity continues to grow!
***Conflicts and Needs: South Sudan, Iraq, Syria, Ukraine, Yemen**

Thank you to Pastor Randy & Candace Brown for serving together with us these past three years. We appreciate your passion for bringing students to know the Good News of Jesus Christ and for helping them grow in their faith and knowledge!
