## AROUND THE WORLD

**Iran** - 98.7% Islam; 0.8% Christianity  
 Iran remains one of the most difficult nations in the world in which to be a Christian. Since President Hassan Rouhani took office in August 2013, the number of individuals in prison because of their beliefs has increased, and Christians are especially targeted. Over the past year, Iranian authorities have raided churches, threatened church members, and arrested and imprisoned church leaders. Currently, there are approximately 90 Christians either in prison or awaiting trial.

TBC is looking for elders of **Equipping** and **Discipleship**.  
 If interested, please contact Pastor Kalen or Fred Aziz.
