Randy & Shelly Schmor - Gateway Teams

Randy and Shelly have been serving with Gateway Teams since 2002 and have been leading short-term mission teams for over 19 years. They are so encouraged by reports from their partners in Mexico and Paraguay of great fruit in ministry. They also were blessed to serve in Mexico, Hungary, and Romania this summer. **Pray** for the continuous impact these partnerships have and that God would do great things among them. **Pray** for their family this Fall with their various schedules as Kameron is in his senior year of high school.

Around the World

***BURMA**- 80.0% Buddhist; 9.0% Christian

The Burmese government claims to support freedom of religion, but it banned independent house church activities in 2010. Religious groups face surveillance, imprisonment, discrimination, violence, destruction or desecration of property, and censorship of religious materials. The military targets Christians for forced labor, rape, intimidation and destruction of religious sites. The government also prohibits the import of Bibles in native languages.
