2. Biblical answers to objections:

3. Our response in truth and love

Next Steps: Pray that the Lord would direct you to an individual that identifies as gay or lesbian. Show that individual love, compassion, and truth.

AROUND THE NAB CONFERENCE

Rick and Debbie Bardin - Cameroon
 Rick and Debbie serve at Mbingo Baptist Hospital in Cameroon. Rick is a board certified medical doctor in Internal Medicine and Pathology, and Debbie is a staff nurse. She recently started doing outreach to remote villages visiting patients who cannot travel to refill their HIV meds. Currently, they are on a four month furlough back home. **Pray** for the Bardins while they are on furlough through the end of the year. **Pray** also for additional volunteer pathologists to cover for Rick while they are away.

AROUND THE WORLD

Mexico (Southern) - 89.3% Catholic; 8.0% Evangelical
 Rural Catholics in the states of Chiapas, Oaxaca, and Guerrero (among others) see evangelicals as a threat to their way of life. Local leaders also view them as a threat because they don't participate in town rituals involving heavy drinking and worship of saints and deities. Some villages post signs reading, "No Other Religions Allowed." Evangelicals are often expelled from their communities, losing land, homes, and crops. Pastors and Christian workers have been threatened with death.

JRMC Clinic and Central Valley Health **connect area residents** with Women's Way and 3D mammography to help with costs **for screenings** for uninsured/underinsured women. See poster for details.
