**COMMUNITY IMPROVEMENT (PART 1)**  
**Acts 4:32-37 & Galatians 2:11-16**

1) How is fear and disunity keeping me from engaging others in my community?

2) How can I benefit from living in community?

3) How can others benefit from having me live in community?

Next Steps: Take active steps in connecting with others in your work place, schools, or other areas of influence where people can experience the Gospel through the way that you conduct your life. Pray for Jamestown and surrounding communities that they may be transformed by the Gospel. Be thinking about what practical steps you can take in living missionally and than forge forward into action! Encourage one another in the faith as we seek to proclaim the reign of Christ both locally and globally.
