What Next: Is your life full of the Flavor of Christ? Is your life an attractive light for those in darkness? Take some time this week and evaluate your life in the context of what it means to be salt and light. This is a big responsibility that is given to us as believers. Find at least 2 people this week that you can bring some salt and light to. See if you can find ways to add flavor to your bland weekly routine. Try to be light to that dark and dreary workplace. Get out there and season your world and shine your light on the path you travel!!!

***IRAN**- Muslim 98.6%; Christian 0.5%

The evangelical church in Iran is the fastest growing church in the world. Iran's state religion is Shiite Islam, and the followers of all other faiths are treated harshly. Believers are discriminated against in education, employment and property ownership. Converts from Islam face the death sentence. Authorities raid house church services, detain worshipers and threaten church members. The publishing, importation or reprinting of Bibles or Christian literature is illegal.
