SEPTEMBER 2015
VOLUME 15, ISSUE 9

Life begins again every year about this time. It's life around the school calendar:

home schools, private schools, public schools, colleges and universities, Sunday schools. We move from an increasing frenzy of summer vacations to school-related schedules and activities.

But is it really life? **Is it possible to get so sucked into the vacuum of activity that we miss life altogether?**

Our lives are changing. After thirty-five years of children in our home, our youngest daughter is now in college. We are rediscovering life. We're asking ourselves, *Did*

Lighting the Way Together
TO **WORSHIP** GOD, HELP PEOPLE TO **KNOW** JESUS CHRIST PERSONALLY, **GROW** TO BE LIKE HIM, **SHOW** HIS LOVE, AND **GO** WHERE HE LEADS . . . **TOGETHER.**

we teach her the things necessary? Did we forget anything?

Beginning September 13 our **worship focus** for the next eleven weeks will be from the first nine chapters of **Proverbs**. I am calling the series, **Real Life**. [This follows our spring series (*Real Love*) and summer series (*Real Community*).] During September through November we will listen as parents and those who've traveled life a little longer give counsel to those who are earlier in the journey. We will find this three-millennia-old counsel surprisingly fresh and relevant.

Look for some changes and opportunities for connecting with **small groups** as well as **children's emphases**, particularly on Sunday mornings.

A **potluck fellowship, noon, Sunday, September 13**, will be an opportunity for us to connect with new and existing

friends, as well as our new NCA regional minister, Dr. Gordon Stork, who will be our guest that day.

Thank you to all who gave toward the **new piano!** A special **Piano Dedication Concert** is being planned for **Sunday evening, September 27**. Please share your suggestions regarding songs, players and ensemble groups. This piano belongs to the Lord, and we want Him to be praised through it.

Please watch for details on these and other events. Let's journey together and (re) discover real life.

Whoever finds me (wisdom) finds life and receives favor from the LORD. Proverbs 8:35

YOUTH PURPOSE STATEMENT

Students with a desire to **REACH** out to their community, **HONOR** God, **DEVELOP** friendships, **SERVE** out of their unique **SHAPE** and **GROW** in their relationship with God and man in order to win our world for Christ in their lifetime.

Wow!!! Summer is a blur! Summer just did not seem to last long enough; it seems to fly by so fast! Now we are entering a new season--the busy season of getting back to the old routine. School is back in session, and life seems to be gaining speed every week. I encourage you to take some time to try something new. We sometimes get stuck in a rut, and we are too busy to realize that we have almost been operating on "auto pilot". **Do something new!** Take some time to meet your neighbors, get involved in your child's school, or maybe get involved in a Small Group. New is refreshing. We are entering into a new season of ministry within our Children's Ministry. We are in the process of rolling out a dynamic Children's Sunday School Program. We are going to implement new material and a new format for this valuable discipleship program. We plan to roll out this new program on October 4th. Be on the lookout for updates and information in the coming weeks.

A *PHYM Parents' Meeting* for parents of students in Grades 6-12 is scheduled for Sunday, September 20th (following Worship). **Please make plans to attend** this very informative, challenging and uplifting meeting. We will be covering basic policies of our Student Ministry and reviewing the 2015-2016 *PHYM* Calendar. I pray that this new school year will be one filled with new challenges and blessings as you seek to serve God where you are planted.

Having a hard time feeling "connected" at TBC? **Joining a small group** (missional community) is a **great way** to connect with others and to **grow** as a disciple of Jesus. **Please contact** Jack Bailey (jwvkailey@gmail.com) to get connected.

The Children & Youth Ministry Team is looking at new programming for Wednesdays (in place of AWANA). **Volunteers are greatly needed** to run an effective program (time commitments are adjustable).

- ◆ Do you feel strongly about children's ministry?
- ◆ Do you feel called to serve your church?
- ◆ Would you like to connect with your church family on a new level?

If interested, please **contact Cara Prescott** (320-8410; 252-2011; caralprescott@hotmail.com) **by Sept. 30.**

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these." Luke 18:15

Will you be a part of the LET?

YOU can be the difference that lets a child come to Jesus!

Piano Dedication Music Night

Sunday, September 27, 6:30 p.m.

Dessert & Coffee

Please use the "Request Box" (sanctuary entrance in the Fellowship Hall) to submit requests (through September 13). Please keep in mind that all requests may not be able to be honored.

Psalms says that the Lord inhabits the praises of His people. Worship has always been important at TBC; the generosity of the church in raising funds for the new piano is not surprising! Thousands of dollars came in within a week or two of our deadline--enough to pay for the balance of the piano as well as some accessories to keep it in tune and maintain it longer. **Thank you** all for your part in making this a reality.

Tracy Ortman

Background: Tracy grew up in Harvey, ND, and then attended the University of Jamestown, graduating this past May.

Family: Both Tracy's parents live and work in Harvey. Her mom, Laurel, teaches junior high science and sophomore biology classes. Don, her dad (also know as "Mr. Fix It"), owns an electronics repair shop. Tracy's sister, Caroline, teaches middle school foreign language in West Fargo, and her brother-in-law, Kyle, is finishing his studies in physical therapy at the U.J. campus in Fargo.

Vocation: Having recently received full financial support, Tracy is working with CRU on the University of Jamestown campus.

Hobbies/Interests: Tracy's interests include reading, cooking, spending time with family and friends, working with kids, rollerblading and biking, editing movies, photography, organizing, dance and spending time outside.

Spiritual Background: Raised in a Christian home, Tracy was blessed to have parents who showed, by their example, how to live a godly life. She didn't fully understand what it meant to live for Christ and have Him in her heart until the summer before her eighth grade year. Tracy accepted the Lord Jesus into her heart while attending Asbury Bible Camp. She then determined to go out into the world and tell everyone about Him! God is continuing to work, molding her into the person He wants her to be. He has put within her heart a desire to serve Him. Tracy started coming to TBC during her freshman year at U.J. She served in the AWANA program, getting to know some of the TBC family. TBC became her church home away from home during those college years.

Did you know? Being born on April 1st, Tracy is a "big joke" to her family!

Prayer Requests:

- Pray for guidance as she begins her year-long ministry with CRU.
- Pray that God will use her to help lead people to Jesus Christ.
