**PASTOR SAM RECIVING HIS MORTORBIKE**

**Pastor Sam couldn't hide his joy when he received his gift of a motorbike!**

Pastor Sam Chekwel comes from Kaserem village in Eastern Uganda where he Pastors his own church of 120 adults and 50 children and it is still growing.

Pastor Sam is also CMA's Field Coordinator, overseeing the large remote region of Karamoja, supervising several churches covering a radius of over 50 miles. Sometimes it would take him several hours to reach one church.

**Pastor Sam writes a special message:**

I send warm greetings in the name of our Lord Jesus Christ. I wish to thank you all for providing me with this special gift of this motorbike! I was so surprised to hear that it was young Sunday school kids that raised the money to buy this bike for me! It warmed my heart to know this. This motorbike will make a huge difference in my work as I have to travel far distances on rough roads and mountainous regions. It will now be much easier for me to move around doing my evangelism and outreach ministry work. I will be able to each reach many more people for Christ because of you. God bless you and thank you for remembering me with this wonderful surprised gift. I will remember you always as I ride on this Bike sharing the Good News of Christ to many more people.

Yours in Christ service,

Pastor Sam Chekwel

*“This service that you do helps the needs of God’s people. It is also bringing more and more thanks to God.”*
